

1988 ARTICLE INDEX

Compiled by
Cassie Kupstas, MBA Librarian

The index to all articles appearing in the 1988 issues of MORTGAGE BANKING (volume 48, #4 through volume 49, #3) is in two parts:

Author/Title and Subject. The Author/Title section lists the articles alphabetically according to author's last name and article title. The titles are italicized and author names appear within parentheses.

In the Subject section, all the articles are listed alphabetically according to title under an appropriate subject; some articles may appear under more than one sub-

ject. To assist your searching strategy, the subject headings are listed below.

It is suggested that you refer to this list first to determine under which heading your topic would be and then consult that part of the subject index.
